Dear Parent/Guardian,

SINGAPORE STUDENT LEARNING SPACE

As part of its commitment to nurturing future-ready learners, the Ministry of Education had announced that all students in Singapore schools will be supported in their learning by the Singapore Student Learning Space (SLS), an online learning platform that contains curriculum-aligned resources and learning tools.

2. With the SLS, students will be able to learn better through the use of technology. Students will be able to learn anytime, anywhere, and at their own pace, whether independently or with their peers.

In RSS, teachers are spending quality time together working on a repertoire of strategies, empowered with ICT, to design the learning, specific to the needs of their students. Teachers will also be able to use the SLS to complement their classroom teaching. This will further enrich students' experiences in joy of learning, becoming self-directed learners and sharing information with peers and learning from one another other using collaborative tools.

3. SLS is being rolled out to all schools in phases. The students in our school will be given their accounts in May 2018. Our teachers will guide your child/ward in activating the SLS account and using the learning platform.

4. We look forward to your support as we help our students strengthen their learning through the SLS.

5. Thank you.

Yours sincerely,

Mrs Jenny Leong
Principal
