Dear Parent/Guardian,

### P3 LEARNING JOURNEY TO JURONG FROG FARM

The theme of the Stellar Unit 'What's This?' centers on frogs. Through the Shared Book Approach, the students are exposed to the target language structures and vocabulary in relation to the theme. To deepen their understanding, students will experience hands-on activities that actively engage them in learning to differentiate between frogs and toads as well as to understand their adaptations and life cycle.

We are pleased to inform you that the school is organising a learning journey to the Jurong Frog Farm (JFF) for our Primary 3 students as part of their experiential learning for English Language.

Details for the learning journey are as follow:
