Dear Parent / Guardian,

International Competitions and Assessments for Schools (ICAS) 2018

1. Educational Assessment Australia (EAA) specialises in school assessments which include International Competitions and Assessments for Schools (ICAS) and is conducted annually in Australia and over 20 countries globally. ICAS is an independent, skills-based assessment programme with a competitive element in the subject areas of English, Mathematics, Science and Writing for primary and secondary school students. More information on ICAS can be obtained from the website: <http://assessment.sg/icas/about-icas/>.
2. We like to highlight that over the past few years, there has been low participation amongst our students. The decreasing participation rate was attributed to the involvement of students in their after school activities on weekdays which often clashed with the ICAS dates. Therefore, with effect from 2018, the school will not be registering with ICAS for P3 to P6 students.
3. However, we would like to inform that parent/guardian can still register their child/ward as an independent candidate to participate in ICAS which are held over four Saturdays.
4. Dates and registration details are as follow:

Subject	PAI Test Dates (for Independent Candidates)	Closing Date	Fee
Science	14 April 2018, Saturday	20 March 2018, Tuesday	\$32.00
Writing	23 June 2018, Saturday	25 May 2018, Friday	\$42.00
English	7 July 2018, Saturday	25 May 2018, Friday	\$32.00
Mathematics	21 July 2018, Saturday	26 June 2018, Tuesday	\$32.00

5. If you are interested to have your child/ward participate in ICAS, please register via the website: <http://assessment.sg/icas/icas-test-dates-fees/>.
6. Thank you.

Yours sincerely,

Mrs Jenny Leong
Principal
