26 June 2018

Dear Parents / Guardian,

Beach Clean-up and Traffic Games at the East Coast Road Safety Community Park

1. We are pleased to inform you that the school is organising a Beach Clean-up activity at East Coast Beach as part of the Values-in-Action programme and Traffic Games at the East Coast Road Safety Community Park for our Primary 4 students.
2. The purpose of the beach clean-up is to provide an opportunity for our students to play their part for the community as well as to appreciate the work done by the people who have helped to keep the environment clean. Students will help to pick litter in the first hour of the trip.
3. The traffic games serve to inculcate and enhance road safety awareness in our students. They will get to role-play as pedestrians, motorists and cyclists at the road safety park. Traffic marshals will be stationed around the park to grade them on how well they have adhered to the road safety rules and to keep a look-out for them as well.
4. This trip is one of the level programmes customised for Primary 4 students. We seek your support for your child/ward to attend the scheduled session. Please acknowledge your receipt of this information on the SNAC app.
5. A summary of the trip as well as the list of things for the students to bring is indicated on the next page. Please ensure your child/ward brings the necessary items along. We trust that it will be a very fun and enriching trip for your child/ward.

Please turn over

Activity	Venue	Date	Time
Beach Clean-up and Traffic Games	East Coast Beach & East Coast Road Safety Community Park	5 July 2018	12.30pm – 5pm
