Dear Parents,

Re: Oral Communication Workshop for P5 and P6 Parents (Re-run)

In conjunction with Speak Good English Movement (SGEM) cum EL Fun Week and as part of the school’s continuous effort in partnering parents, the English Language Department will be organising an Oral Communication Workshop for P5 and P6 Parents (Re-run) conducted by Mrs Samsina Herbert (HOD EL) together with Ms Dawn Quek (EL Teacher). It is hoped that this workshop will enable you to gain some insights on some basic skills to guide your child on Reading Aloud and Stimulus-based Conversation. This is a re-run of the workshop conducted last year so that P6 parents who missed the workshop last year could attend this year.

The workshop will be conducted in English Language. The details of the Oral Communication Workshop are as follows:

Workshop Date /Time : Saturday, 5 March 2016 / 0900h to 1100h
Venue : Red Swastika School AVA Theatrette (Level 4)

Due to space constraints, only one parent per family is invited to attend the workshop. Please do not take your child along as your child will be taught the same strategies by their EL teachers. Your child will not be allowed entry into the AVA Theatrette and will have to wait in the school canteen for the whole duration of the workshop.

If you are interested to attend the workshop, kindly register your attendance through your child’s userid and password via the MC Online Portal (https://www.mconline.sg) by 1 March 2016. Kindly contact Mrs Samsina Herbert (HOD EL) at 64430380 or email her at samsina_herbert@moe.edu.sg for any further inquiries or clarifications.

Thank you.

Best regards,

Mrs Jenny Leong
Principal
