Dear Parents/Guardian,

RSS Sports Carnival 2018

Physical Education (PE) plays an important role in the physical growth and development of students. Through PE, students acquire the knowledge, skills, right attitude and values towards the pursuit of a lifelong physically active and healthy lifestyle. It also provides an avenue for students to express themselves through movement and physical activity.

From 2015 the school has adopted the sports carnival model to encourage mass participation as well as to promote team sports in RSS. The games carnival is also a good platform for all students to participate in the games and apply what they have learned in their PE lessons. It is also an opportunity to put into practice the Olympic values of Respect, Friendship and Excellence. Through the team format, we hope to provide students with the opportunity to learn to work with others to achieve a common outcome.

The details of the event are as follows:
