Dear Parents/Guardian

**Re: Donation of food for the senior citizens at Moral Seniors Activity Centre (Kaki Bukit)**

The school is embarking on a donation drive for the senior citizens at Moral Seniors Activity Centre. Many of us are blessed with good health and wealth when compared to others in need. Our children are especially fortunate to have a roof over their heads and a good education while their basic needs are taken care of.

2. This year, the P5 cohort will undergo a leadership training module in which students are taught about Servant Leadership. Students will understand the importance of service learning in a journey where they learn to become servant leaders. They will develop a commitment to serve people with a purpose. The school is creating this platform for the students to serve the community through this donation drive.

3. **Moral Seniors Activity Centre** supports about 120 households by providing community, social, recreational and welfare services to elderly persons who need their services, irrespective of race, colour, creed, language or religion. As Chinese New Year is approaching, the school has decided to help by donating **some food supplies to 80 of these households** under the Public Assistance Scheme.

4. The school has given the P5 cohort the opportunity to anchor this project. In the discussions during the training sessions, your child would have selected **an item** from the list which he/she would like to donate. We hope that you will take time off to purchase the identified item with your child and use this opportunity to teach your child the valuable lesson of giving. Through this experience, we would like our students to develop compassion and a spirit of giving. We will not be accepting cash/cheque. The donated items will be packed into a hamper for the senior citizens.

5. The following are the details of the collection exercise:

Collection Period : 25th – 27th January 2016 (Monday to Wednesday)

List of items : 1. Goldkili Chrysanthemum Tea (20 sachets)  
2. Aik Cheong Kopi O Coffee (20 sachets)  
3. Anlene Concentrate High Calcium Low Fat Milk - Vanilla (4 packets)  
4. Nestum Cereal Milk Drink (Red and yellow packaging, 18 sachets)  
5. Hup Seng Cream Crackers (Tin)

6. We thank you in advance for your kind support. If you have further clarification, please contact Mdm Roziana, VIA Coordinator at 64430380.

Yours sincerely,

Mrs Jenny Leong  
Principal
