Dear Parents / Guardian,

SCIENCE LEARNING JOURNEY TO THE NEWATER VISITOR CENTRE

We are pleased to inform you that the school is organising a learning journey to the NEWater Visitor Centre for our Primary 4 students.

The objectives of the programme are to allow our students to experience first-hand some of the content that has been covered in their Science curriculum and be keenly aware of their external environment. The learning journey allows students to understand Singapore's water challenges and solutions to achieve water sustainability. It also increases their appreciation of the science of water.

To enhance our students' learning experience, they will be arranged into small groups and led by mature and experienced guides. The learning journeys are scheduled as follows:

Date, Day	Class	Teacher-in-charge
20 January 2016, Wednesday	4 Care	Mr Jasper Ang
22 January 2016, Friday	4 Service	Mrs Tang Pei Pei
27 January 2016, Wednesday	4 Leadership	Mdm Aw Pei Si
3 February 2016, Wednesday	4 Generosity	Mrs Bridget Wong
12 February 2016, Friday	4 Respect	Mdm Aw Pei Si
