27 June 2016

Dear Parents / Guardians,

We warmly welcome our students back to school for Semester 2. We trust that you had a fruitful time for family bonding during the June vacation. We would like to bring your attention to the following:

1. Temperature-Taking Exercise

Temperature-taking exercise aims to maintain schools' preparedness to re-activate the temperature-taking regime should there be a need to. It also serves to educate our students to take personal responsibility for their own health and practise social responsibility.

Hence we will be conducting our temperature taking exercise during the first week of the term. All students are reminded to bring their thermometers for the week.

2. Calendar of Events for Term 3

Some important events in Term 3 are listed in the table below for your reference.

EVENT	DATE	REMARKS
P4 Science Practical Assessment (SPA)	30 Jun	During curriculum hours. More details will be given nearer the date.

P6 Supplementary Classes	6 Sep to 9 Sep	Supplementary classes are held in the morning. A detailed timetable will be given nearer the date.

3. Communication and Email

Thank you to all who have joined us in the Parent-Teacher Meeting. Your partnership with us in supporting our children has been greatly appreciated. Let us continue to keep the communication channel active. You can either email us at redswastika@moe.edu.sg or call us at 64430380. You can also find the email addresses of the individual teachers on the school website at www.redswastika.moe.edu.sg.

4. Teacher's Day Gift

We do not encourage students to spend money on gifts for our teachers on Teacher's Day. A card with handwritten notes will be a meaningful and much appreciated gift. We also welcome words of affirmation and encouragement sent to redswastika@moe.edu.sg.

5. Road Safety

I would like to update you on the measures that the school has taken to enhance road safety for our students. I have highlighted road safety habits during assembly and deployed staff at school gates during dismissal to reinforce safety behaviour. I would like to appeal to you to help us remind your child of good road safety habits.

I thank you for abiding by the road safety rules while moving your vehicles within the HDB car park. Please note that it is an offence to leave the engine of a motor vehicle running when it is stationary. Let us do our part for the environment. I hope we can continue to build a safe environment for the community.

Thank you for your cooperation and understanding.

Yours faithfully,

Mrs Jenny Leong
Principal
