Dear Parents/Guardian,

SCIENCE PRACTICAL ASSESSMENT (SPA) FOR PRIMARY 5

We are conducting the SPA on **1 April 2016, Friday (Term 2, Week 2)**. The focus of the assessment will be on Science process skills such as observing, comparing, classifying and predicting. Your child/ward has been taken through Science learning experiences incorporating these basic process skills.

The test will be conducted during school curriculum time. The actual testing time is about 20 minutes per class.

This practical test constitutes **10% of the overall combined Science mark**. Kindly take note that a valid medical certificate has to be produced in the event your child is unable to sit for the test on that day. There will be no make-up examination and his/her total Science results will be pro-rated accordingly.

If you need further clarification, please contact Mrs Lane Low at 64430380 or email her at koh_suyi_lane@moe.edu.sg. Thank you very much for your kind attention.

Yours sincerely,

Mrs Jenny Leong
Principal
