Dear Parents/ Guardian,

P5 Education and Career Guidance (ECG) Learning Journey

In line with the Education and Career Guidance programme in our school, the students of the P5 cohort will be going on a Learning Journey to Kidzania, Sentosa. This is to help them gain a greater awareness of the various career options available and the life skills required through play. We also hope that the exposure to the different professions will assist them in the decision making of their career paths.
