Dear Parent/Guardian,

Primary 2 Learning Journey – Visit to Marina Barrage

The school is conducting a learning journey to Marina Barrage for all Primary 2 students as part of experiential learning. This activity is organised in relation to the theme – Places of Interest and Water. The learning journey allows students to better understand Singapore's water challenges and solutions to achieve water sustainability. It also increases their appreciation and conservation of water.

The learning journey will be conducted during curriculum time, so school hours are as usual. There is no need to make special transport arrangements on that day. The learning journey is scheduled as follows:
