Title : A.B.L.E. Parenting – Make Easy Timing : 4.00pm to 6.00pm Speaker : Mr James Gary Satchy Synopsis : A.B.L.E. Parenting focuses on the 4 main key areas of a proactive parent. Abilities (A) such as listening skill and questioning technique are important for effective communication with their children and teens. Behaviour (B) refers to the self-discipline and the priorities of a parent. Without setting their priorities right, they would not be able to manage their time well. Love & Control (L) is the next most important component in this programme where parents understand and evaluate themselves on different occasions where they either pampered their kids too much, or discipline/control too tightly. Last but not least, Emotions (E) of a parent, the deepest and toughest subject to be discussed in this programme. Parents would be equipped with self-esteem and emotion check, as well as ways to become a more resilient guardian to their kids.
