We are pleased to inform you that the school is organising a learning journey to Little India for our Primary 6 students as part of our National Education programme.

The learning journey comprises activities that actively engage students in learning through the integration of English Language and Social Studies skills, concepts and values. The objectives are to:

- learn about the places and activities in historical Little India; and

Every student is required to complete a Social Studies Project based on this learning journey. Details of the project will be given to the students separately.

The learning journeys are scheduled as follow:
